PERFORMING ARTS - DRAMA

Drama 8

Drama 8 is a fun and fast paced class focusing on games and group activities. This is an exciting participation based elective. Drama 8 is an introduction to stage work and is perfect for balancing a busy schedule. Enjoy learning the fundamentals of theatre while exploring creativity and communication.

Drama 9

Drama 9 develops student's knowledge, skills and experiences in drama with projects, group activities and games and script work. Through performance opportunities and basic script work, students increase personal development and communication skills. This fun class is open for both new and returning drama students.

Drama 10

Drama 10 develops and extends script work and performance skills. Building on Drama 8 and 9, this course includes artistically challenging activities, personal exploration and communication building techniques. Explore ideas and creativity in a dramatic context! Both new and returning drama students are welcome.

Theatre Performance: Acting 11

Acting 11 places an emphasis on developing a deeper understanding of theatre. With a combination of performance interpretation and characterization, this course is catered to both new and returning students who are looking for increasingly challenging projects and performance opportunities.

Theatre Performance: Acting 12

Acting 12 develops students' understanding of theatrical elements at an advanced level. Through theatre, students acquire knowledge, skills and attitudes, which will enhance their personal, educational and career development. Acting 12 incorporates advanced performance pieces and both personal and group based exploration and expression.

Theatre Performance: Directing & Script Development 12

Course work emphasizes interpreting and writing performance material. Students create original works and are presented with opportunities to develop their production, directorial and scriptwriting skills within a drama class.

Theatre Production 10/11/12

Learn the behind-the-scene skills of theatre production. This course will focus on play production. Please see Drama teacher for admission requirements and course details.
